## **DETAILED ACTION**

### ***Information Disclosure Statement***

1. The examiner of record has considered the information disclosure statement (IDS) submitted on 02/27/04.

### ***Allowable Subject Matter***

2. Claims 1-15 are allowed.
3. The following is an examiner's statement of reasons for allowance: as to claims 1-15, patentability resides, at least in part, in the display device comprising the combination of a display housing for mounting on a vehicle dashboard, and/or a display frame accommodating a display, and/or a driven element (a tooth segment affixed to the display housing), and/or a drive device having an electric motor, a worm gear, and a gear output shaft as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Please note the teachings and/or deficiencies of Otsuki (6011685, 5847685), Nakasuna (6711003), Shibuya (20020101117), and Chen (6754070). It is noted that the prior art of record fails to teach and/or fairly suggest the

claimed combination of limitations as set forth by claims 1-15. Therefore claims 1-15 are deemed allowable over the prior art of record.
